Hi, Omar-

I have attached Mid-Way's Seismicity Contingency Plan for your review. I just realized I never sent this your way and thought you might be interested. As you know, this was a permit requirement. I will be commenting on the Plan in the next week or so. If you have any comments, I'd be happy to hear them.

Hope all is well!

Hillary

Hillary,

Please see the attached Seismicity Contingency Plan for the Mid-Way Environmental Services, Inc. Non-Hazardous Waste injection well near Davenport, OK.

Note that two (2) copies of the Plan have also been sent to DEQ via the US Postal Service.

If you have any questions on this matter, or if you require any additional information, please do not hesitate to contact me ---TAT
